Highlight of the Month: Fiber Optic Services

This month's highlight is Fiber Optic Services. PDI Construction specializes in a variety of fiber optic services including design, construction, cable installation and splicing. Our customers include various telecommunications providers throughout the U.S., Departments of Transportation, municipalities, general contractors and electrical contractors. Please contact us if you would like additional information regarding PDI Construction's fiber optic services.

June Employee of the Month: Audra Thomas

Audra joined the PDI Construction team in November of 2010. Her responsibilities include accounting, scheduling crews and assisting with IT issues. In addition to her wide range of daily responsibilities, she has a great attitude and is a pleasure to have in the PDI Construction office. Congratulations Audra.
